5-6 FEBRUARY

Asia & Middle East's Premier Summit
on **Innovation in Education**

THE PREMIER B2B EDUCATION CONFERENCE WITH 26+ SUCCESSFUL EDITIONS ACROSS THE GLOBE

Elets World Education Summit (WES) is poised to embark on a new journey with its 28th edition in the Education hub of UAE – Dubai on 5-6 February 2024.

The previous edition, held in Malaysia, served as a testament to WES's remarkable history of success. Over its last 27 editions, WES has consistently provided a unique platform for disseminating knowledge, fostering valuable partnerships, and showcasing the latest solutions from leading edtech companies.

With a commitment to upholding this enduring legacy and driving forward future-ready innovations, the 28th edition is set to raise the bar even higher. By bringing together decision-makers, visionaries, innovators, and industry leaders from across the globe, this summit will delve into fresh prospects and potential within the education sector. Its core mission remains dedicated to pushing the boundaries of innovation.

Event Segments

Conferences

The summit serves a vital role as a collaborative platform, promoting learning, discovery, and positive impact in the field of education. Through the enthusiastic involvement of prominent individuals from all around the world, the summit presents wealth of opportunities

Expo

Collaborate with like-minded peers, exchange valuable insights, and showcase exceptional products and solutions to revolutionise the education ecosystem across the globe. Expand your influence and reach a wider audience by exhibiting at 28th Elets World Education Summit in Dubai.

Awards

The Elets World Education Awards have become a prestigious symbol of excellence and innovation, uniting educators, policymakers, edtech pioneers, and various stakeholders to present their transformative initiatives that have revolutionised the realm of education.

Why MENA?

Education Takes the Center Stage in MENA

The education market of the Middle East and North Africa (MENA) region has emerged as a leading investment opportunity. Experiencing rapid economic growth accompanied by a significant increase in demand for quality education, the MENA education market is alluring huge investments in the school and higher education sectors. The region's education market is estimated to expand to U.S.\$175 billion by 2027.

The government in the MENA region has been actively supporting the education sector through various initiatives. The government has been investing in the development of education infrastructure and providing support to institutions to improve the quality of education in the region.

What does the MENA offer?

- Strategic Location & Knowledge Based Economy
- Thriving Education Sector & Digital Infrastructure
- Emerging Edtech Market

World Education Awards
